GOOD NEWS for Everyone! is a Registered Charity in England and Wales (221605) and in Scotland SC039224)

This time of year and especially in this climate the **Foodbank** appeal for provisions and donations. They offer and provide food donations, vouchers and other advice to those in need.

“As a nation, we know it isn’t right that anyone should be left hungry or living in extreme poverty. But whilst we work for long-term change, our network of food banks provides emergency food and compassionate, dignified support to people locked in crisis.”

WE PLOUGH THE FIELDS AND SCATTER

We fill our fridge and freezer with good things from the shops,
With oven chips and runner beans, with prawns and English
chops.

Our fridge is overflowing, the freezer's full as well,
We thank you Lord for freezers which store our food so well.
Sainsbury, Asda, Tesco, Iceland and Aldi too –
For frozen food and all our food our grateful thanks are due.
But, what about the millions who starve on far-off land?
How can they sing God's praises with empty up-turned hands?
So we, with all our riches must give to those in need,
And gladly keep on giving – that's gratitude indeed.
Praising, caring, sharing: Lord, teach us how to give
Till all are fed with daily bread and starving people live.

*Blessed are you who sow.
Every seed you so plant,
will grow into bountiful crops for a
great harvest.*

As we plant in tears, we shall harvest with joy.

*You are invited to an evening at Mary & John's
house (7 Park Avenue) for friendship and
fellowship (and a fish & chip supper if required)
on Wednesday 24th September from 6.30 p.m.
In the garden if fine – inside if wet.*
