**Please let me have any items

magazine by 14th September.**

The month of August holds significant biblical meaning as a time of harvest and abundance, reflecting God's faithfulness and provision in our lives.

My God is so amazing,
His love, a boundless sea,
He paints the sunset colours,
And sets the captive free.

He walks with me in shadows,
His strength upholds my soul,
In every trial, He's faithful,
Making me strong and whole.

So let us sing His praises,
With grateful hearts and true,
For all His wondrous blessings,
And all He sees us through.

Golden orbs of peach, sun-kissed and warm,
A taste of summer in a gentle form.
Crimson jewels of cherry, sweet and bright,
A vibrant splash against the summer light.
Plump berries, blue and red, a juicy kiss,
Whispering tales of sunshine, pure bliss.
Grapes like emeralds, hanging on the vine,
A gift of sweetness, truly divine.
These fruits of summer, bounty from above,
A testament to nature's endless love.
May we savour each bite, with grateful heart,
And in their goodness, a new joy impart.
